

# So High

## Rebelution

(Yeah, yeah, yeah)  
Who's got the herb when I'm dry?  
I wanna get so high, yea,  
Who's got the herb when I'm dry?  
Yeah, yeah, yeah

Who's got the herb when I'm dry?  
I wanna get so high, yea,  
Who's got the herb when I'm dry?

Who's got everything I need  
I'm a fiend for the green sticky leaves,  
Man, I'm gettin' so high

Who's got everything I need  
I'm a fiend for the green sticky leaves,  
Man, I'm gettin' so...

Who's got the chronic that I like?  
Right between the lows and the highs,  
Man, I'm feelin' so high.

And I feel like I could fly,  
And everything's so right,  
Yea, everything's so right,  
You got me feelin' so high.

Because it puts me in the right state of mind,  
It puts me in the right state of mind.

Who's got the herb when I'm dry?  
I wanna get so high, yea,  
Who's got the herb when I'm dry?  
Yeah, yeah, yeah

Who's got the herb when I'm dry?  
I wanna get so high, yea,  
Who's got the herb when I'm dry?

Who's got everything I need  
I'm a fiend for the green sticky leaves,  
Man, I'm gettin' so high

Who's got everything I need  
I'm a fiend for the green sticky leaves,  
Man, I'm gettin' so...

Who's got the chronic that I like?  
Right between the lows and the highs,  
Man, I'm feelin' so...

And I feel like I could fly,  
And everything's so right, yea,  
Everything's so right, yea,

Because it puts me in the right state of mind,  
It puts me in the right state of mind.
