

# Break My Heart Tonight

Reckless Kelly

Well I got empty bottles and legal papers wrinkled up all over  
the floor  
My pen won't write and my guitar doesn't have a song in it anym  
ore  
Well I can write another love song, yeah, but first you got to  
find someone to love  
I could write another fight song, yeah, but there's got to be s  
omething to be proud of and they say

Chorus 1:

Misery love's company, but it damn sure ain't lookin' for me  
I'll be alright, I just gotta find someone to break my heart to  
night  
Going out walkin' on Avenue B and I ain't comin' back until daw  
n  
And find some stranger in a Greenwich bar to shower my affection  
upon  
Well maybe she'll stay 'til one fateful day when we realize we'  
ve got nothin' left  
And maybe I'll find she's messed up my mind and I can get back  
to doing what I do best and they say

Chorus 1

Well all these A&R guys keep knockin' on my door  
I guess the last batch wasn't good enough cause they keep on wa  
nting more and more and they say

Chorus 2:

Write what you know and it just goes to show, you gotta write y  
our own destiny  
I'll be alright, I just gotta find someone to break my heart to  
night, they say  
Misery love's company, but it damn sure ain't lookin' for me  
I'll be alright, I just gotta find someone to break my heart to  
night
