

Break My Heart Tonight

Reckless Kelly

Well I got empty bottles and legal papers wrinkled up all over
the floor
My pen won't write and my guitar doesn't have a song in it anym
ore
Well I can write another love song, yeah, but first you got to
find someone to love
I could write another fight song, yeah, but there's got to be s
omething to be proud of and they say

Chorus 1:

Misery love's company, but it damn sure ain't lookin' for me
I'll be alright, I just gotta find someone to break my heart to
night
Going out walkin' on Avenue B and I ain't comin' back until daw
n
And find some stranger in a Greenwich bar to shower my affection
upon
Well maybe she'll stay 'til one fateful day when we realize we'
ve got nothin' left
And maybe I'll find she's messed up my mind and I can get back
to doing what I do best and they say

Chorus 1

Well all these A&R guys keep knockin' on my door
I guess the last batch wasn't good enough cause they keep on wa
nting more and more and they say

Chorus 2:

Write what you know and it just goes to show, you gotta write y
our own destiny
I'll be alright, I just gotta find someone to break my heart to
night, they say
Misery love's company, but it damn sure ain't lookin' for me
I'll be alright, I just gotta find someone to break my heart to
night
