

It's All Over

Reckless Kelly

Come closer don't stand so far
Can't reach you where you are
'Cause you grow farther every day

I came by, I tried to care
Maybe it's better that you weren't there
'Cause I don't know what to say, anyway

By now
You're gone
Can't believe it took so long
I knew we'd never stick it out
'Cause it's all over
It's all over, darlin'
It's all over now

What was I thinkin' of
Should've just given up
When I thought that I might please you

So goodbye, baby, so long
I proved myself wrong
I'll never hold a girl like you

By now
You're gone
Can't believe it took so long
Knew we'd never stick it out
'Cause it's all over
Said it's all over, darlin'
It's all over now

It's all over
It's all over, darlin'
It's all over now, it's all over now
