

# You Don't Have To Stay Forever

Reckless Kelly

Everybody held their breath when you walked in  
Guess no one thought to tell me you were back in town again  
Everyone remembers how you shut me down  
And let me tell you jaws were dropping  
left and right when we walked out  
Its so good to see you now  
Its as though you were never gone  
Even after all this time  
And I want you more than ever  
And I know you can never be mine  
You dont have to stay forever  
You dont have to stay forever  
You dont have to stay forever  
Maybe you could stay tonight

Arm in arm out strolling down on Riverside  
Two broken hearts beating fast and right in time  
I got nothing to loose I might as well lay it on the line  
And I dont want to be alone so wont you stay with me tonight

Its so good to see you now  
Its as though you were never gone  
Even after all this time  
And I want you more than ever  
And I know you can never be mine  
But you dont have to stay forever  
You dont have to stay forever  
You dont have to stay forever  
You dont have to stay forever  
Maybe you could stay tonight

No one feels the same against my skin  
Feels so right just to be with you again  
Im still not over the first time you let me go  
But I dont hold that against you  
And I wanted you to know

Its so good to see you now  
Its as though you were never gone  
Even after all this time  
And I want you more than ever  
And I know you can never be mine  
You dont have to stay forever  
You dont have to stay forever  
You dont have to stay forever  
Maybe you could stay tonight
