

Bad Lovin'

Reckless Love

Hide it in your heart or try to run away
don't matter who you are, it don't matter what you say
no use to try to fight what's in your DNA
and when it comes alive baby everyone's a prey

It don't matter if you're straight, it don't matter if you're gay
Don't matter if you're bi, it will get you anyway
The purgatorial fire is burning through your veins
behold the name of the game

All or no n n n nothin
Whooo gimme bad lovin'
All or no n n n nothin
Whooo gimme bad lovin'
Whooo Yeeeeaaaaah!
Whooooa gimme bad lovin'
All or no n n n nothin

The story of your heart, the echo of your name
Is written in the scars that you're tryin to hide away
So turn it into art, forget about the pain
ride it to the stars, baby, power through the rain

It don't matter if you're straight
it don't matter if you're gay
Don't matter if you're bi, you can do it anyway
The fundamental little lie, the original sin
Is hiding under your skin

All or no n n n nothin
Whooo gimme bad lovin'
All or no n n n nothin
Whooo gimme bad lovin'
Whooo Yeeeeaaaaah!
Whooooa gimme bad lovin'
All or no n n n nothin
Gimme bad lovin
Gimme bad lovin
Gimme bad lovin
Oooooh gimme your love

It don't matter if you're straight, it don't matter if you're gay
Don't matter if you're bi, it will get you anyway
The purgatorial fire is burning through your veins
behold the name of the game

All or no n n n nothin
Whooo gimme bad lovin'
All or no n n n nothin
Whooo gimme bad lovin'
Whooo Yeeeeaaaaah!
Whooooa gimme bad lovin'
All or no n n n nothin
