Reckless Love

Everybody's watching
As you dressed up eye catching
Holy moly it's a cliché
But you don't need no clothing
To keep those bone heads turning
No way I'll say it's a touche

The taste of your hot lovin
Is so intoxicating wooo
It's super fine, because it's my

Favorite flavor
Sugar coated, sticky sweet
Everything I ever needed

Favorite flavor
Taste I'll savor
A second when I view this page
Another one until I turn away

Every week you're in my magazine
And every day you're in my twitter feed
I wanna eat you
I wanna eat you
I wanna eat you
I wanna eat you up alive
You're my flavor of the week

People criticizing and watching your becoming
Risqué portrait of decay
How about this new babe, she is so damn exciting
Bye bye old moose rookie rules

The taste of her sweet lovin
Is so intoxicating wooo
It's super fine, because it's my
