

One By One

Red Foley

One by one we've broke each vow we made
It was you who lied it was me who paid
As sure as there's a heaven beyond the sun we'll pay for our li
es one by one
My plans and hopes have tumbled down my castle of dreams plunge
d to the ground

How can you face me after what you've done
You've shattered my dreams one by one
One by one...

How can you go to sleep at night don't know mem'ries make you l
ong for daylight
You'll pay the price after having your fun you'll regret each m
istake one by one
The love I treasured you sold for gold and then you left me col
d
You're happy now but the time will come your false love will le
ad you one by one
One by one...
