One by one we've broke each vow we made

It was you who lied it was me who paid

As sure as there's a heaven beyond the sun we'll pay for our li es one by one

My plans and hopes have tumbled down my castle of dreams plunge d to the ground

How can you face me after what you've done You've shattered my dreams one by one One by one...

How can you go to sleep at night don't know mem'ries make you long for daylight

You'll pay the price after having your fun you'll regret each m istake one by one

The love I treasured you sold for gold and then you left me col d

You're happy now but the time will come your false love will le ad you one by one

One by one...
