

Crackman

Red Harvest

Hello, my dearest friend!
I'm glad you've come to take me back again
To the place where I belong,
To the place where the weak are strong!

I've loved you since the day we met,
I need you more than anything,
But deep inside my fucked up mind,
I wish I had the strength to leave your rotting world behind...

Crackman! Crackman! Crackman! Crackman!

I worship you in every way,
You're the master, I'm the slave,
I kill so I can get some money,
I'm the bee and you're the honey...

Crackman! Crackman! Crackman! Crackman!
Crackman! Crackman! Crackman! Crackman!
