

(Live & Pay) The Holy Way

Red Harvest

Dance for me, show me the pleasures I wanna see,
Slavery, masses hail me in ecstasy,
Controlling, pray! I own you, oh yes I do!

The cheater leads the blind, so come on and join the Jesus Rock
'n'Roll,
Enter this world of insane, explore my psycho domain!
Give me cash or there's no hope,
Just pay your God or take the rope,
Half man, half God I am,
Follow me to the promised land!
But first you'll need the key, the key you'll get by paying me,
Hey! Come on and pray!

Listen - hear the angels sing!
I - the man you adore!
You - disciples of mine!
Sinners - reform and pay my price!
Am-ex or check - i'll accept, you bet!

All I want - you, as an echo of my opinions!
Oh I hate - opposition, the work of Beelzebub!
'cause I own the exclusive rights to this world,
So follow me, Hell isn't the place to spend eternity -
Fear of death is what this fraud is based upon -
Religion - a lucrative business!

Enter this world of insane, explore my psycho domain!
Give me cash or there's no hope,
Just pay your God or take the rope,
'cause the Lord has come to me, speaking in my dreams,
Fall down on your knees and pray and join the Jesus Rock'n'Roll
,
Hey! Come on and pray!

Listen - hear the angels sing!
I - the man you adore!
You - disciples of mine!
Sinners - reform and pay my price!
Am-ex or check - i'll accept, you bet!

Amen...
