

# The Harder They Fall

Red Harvest

The harder they fall  
The harder they get  
The harder they get  
The harder they fall...

We create our own reality  
We choose our own dreams  
Based upon what we are  
Willing to learn...

Be aware of The Circle  
Everything is linked together  
Awake and see how everything  
Depends on yourself

Be aware of The Circle

The harder they get  
The harder they fall...
