

21st Century

Red Hot Chili Peppers

1. All the creatures, on the beaches
Makin' waves in the motion picture
Wont you keep this inbetween us
Search and seizure, Wake up Venus
The dollar bill will mentally ill bill
Mom and dad take your don't be sad pill
Turn the screw and twist my language
Don't forsake me I'm contagious

- R: There's a reason for the 21st Century
Not too sure but I know that's it's meant to be
And that it's ment to be

2. It's my favorite combination
Comin' down with the favored nations
Deep rotation and multilation
Learn to give and take dictation
Oh, oh oh, oh oh,
Like you're Cain and Able
Oh, oh oh, oh oh
Gonna run this table

- *: Read me your scripture now
Read me your scripture
Read me your scripture and
I will twist it
Show me your wrist and I
Show me your wrist and
Show me your wrist and I
Kiss it kiss it
Oh, oh oh, oh oh
Like Cain and Able
Oh, oh, oh, oh-oh
Gonna run this table

3. Simple Soldier, hand it over
Stop and read what you just wrote her
Strangulation altercation
Oral sex and bird migration
