

R: Cabron, cabron
Cabron, cabron

1. I see you in the park
you're always wearing
dodger blue
Mad doggin' me and
anyone from my other crew

I am small but I am strong
I'll get it on with you
if you want me to
what else can I do

Everyone would a take a cue
from anything you do
if you want them to
what else can they do

I don't want to fight
I want to get along with you
this time of night's
for singin' songs
about the local news

R: Cabron, cabron...

2. I'll come around and make peace
get down have a barbeque
let's keep the moon awake
and do electric boogiloo

I am small but I am strong
you see I'm just like you
if you only knew
that I'm just like you

All the world would
take a cue from
anything you do
if you only knew
that they are just like you

I don't want to fight
I want to get along with you
this time of night's
for singin' songs
about the local news

R: Cabron, cabron... (4x)

3. If you want me to
