Red Hot Chili Peppers

1. Psychic spies from China  
Try to steal your mind's elation  
Little girls from Sweden  
Dream of silver screen quotations  
And if you want these kind of dreams  
It's Californication
2. It's the edge of the world  
And all of western civilization  
The sun may rise in the East  
At least it settles in the final location  
It's understood that Hollywood  
sells Californication
- \*: Pay your surgeon very well  
To break the spell of aging  
Celebrity skin is this your chin  
Or is that war your waging  
First born unicorn  
Hardcore soft porn
- R: Dream of Californication  
Dream of Californication
3. Marry me girl be my fairy to the world  
Be my very own constellation  
A teenage bride with a baby inside  
Getting high on information  
And buy me a star on the boulevard  
It's Californication
4. Space may be the final frontier  
But it's made in a Hollywood basement  
Cobain can you hear the spheres  
Singing songs off station to station  
And Alderon's not far away  
It's Californication
- \*: Born and raised by those who praise  
Control of population  
Everybody's been there and  
I don't mean on vacation

5. Destruction leads to a very rough road

But it also breeds creation  
And earthquakes are to a girl's guitar  
They're just another good vibration  
And tidal waves couldn't save the world  
From Californication

\*: Pay your surgeon very well  
To break the spell of aging  
Sicker than the rest there is no test  
But this is what you're craving
