

1. Easily let's get carried away  
Easily let's get married today  
Shao Lin shouted a rose From his throat  
Everything must go  
A lickin' stick is thicker When you break it to show  
Everything must go  
  
R: The story of a woman on the morning of a war  
Remind me if you will exactly what we're fighting for  
Calling calling for something in the air  
Calling calling I know you must be there
2. Easily let's get caught in a wave  
Easily we won't get caught in a cage  
Shao Lin shakin' for the sake Of his soul  
Everything must go  
Lookin' mighty tired of All the things that you own  
Everything must go  
  
R: I can't tell you who to idolize  
You think it's almost over but it's only on the rise  
Calling calling for something in the air  
Calling calling I know you must be there  
  
R: The story of a woman on the morning of a war  
Remind me if you will exactly what we're fighting for  
Throw me to the wolves because there's order in the pack  
Throw me to the sky Because I know I'm coming back
