1. Life is my friend
Rake it up to take it in
Wrap me in your cinnamon
Especially in Michigan
... well I could be your friend

2. White clouds I'm in
A mitten full of fisherman
C'mon Huckleberry Finn
Show me how to make her grin
... well I'm in Michigan

R: Cry me a future
Where the revelations run amok
Ladies and gentlemen
Lions and tigers come running
Just to steal your lu-u-u-u-u-uck

A rainy Lithuanian
Who's dancing as an Indian
Painted in my tiger skin
Especially in Michigan

3. Double chins and bowling pins
Unholy Presbyterians
Land is full of medicine
I find it when I'm slipping in
... into Michigan

R: Cry me a future...

R: Out on the farm we'll be
Swimming with the mother duck
Deep in the mitten where
Lions and tigers come running
Just to steal your lu-u-u-u-u-uck

4. Life is my friend
Underwater violins
Order now from Ho Chi Min
A porcelain that comes in twins
....when I'm in Michigan

R: Cry me a future...

R: Out on the farm we'll be...
