

Ethiopia

Red Hot Chili Peppers

E I O I E I A

When you give your love away,
You get a feeling for...

E I O I E I A

Live to love another day,
Even when you feel unsure.
More and more I wanna raise!
Raise my bar and raise your stay.

E I O I E I A

When I lie they're wide awake,
for Mosconome (My son I make)?

Tell my boy I love him so,
Tell him so he know.
Lost in Ethiopia,
walk out in that road.

E I O I E I A

Something good gon' come your way,
just look out your door.

E I O I E I A

Tell him what you wanna say,
no matter whatcha moutin' girl.

Tell my boy I love him so,
Tell him so he know.
Lost in Ethiopia,
walk out in that road.

E I O I E I A

Steal my heart to give away,
make me wanna say.

E I O I E I A

You and I are so no same,
more and more and more each day.

Tell my boy I love him so,
Tell him so he know.
Lost in Ethiopia,
walk out in that road.
