

# Fortune Faded

Red Hot Chili Peppers

1. They say in chess, you gotta kill  
the queen and then you mate it

D C#m/5+ Bm  
Oh I... Do... you

A funny thing, the king  
who gets himself assassinated

D C#m/5+ Bm  
Hey now, every time i lose

2. You took a town by storm  
the mess you made was nominated  
Oh I... Do... you

Now put away your welcome,  
soon you'll find you've overstayed it  
Hey now, every time i lose

- R: So divine, hell of an elevator  
All the while my fortune faded  
Nevermind the consequences of the crime this time  
My fortune faded

3. The medicated state of mind  
you find is overrated  
Oh I... Do... you

You saw it all come down and  
now it's time to imitate it  
Hey now, every time i lose

- R: So divine, hell of an elevator...

Bm D(x57775) C#m/5+

Come on God, do I seem bulletproof?
