

Fortune Faded

Red Hot Chili Peppers

1. They say in chess, you gotta kill
the queen and then you mate it

D C#m/5+ Bm
Oh I... Do... you

A funny thing, the king
who gets himself assassinated

D C#m/5+ Bm
Hey now, every time i lose

2. You took a town by storm
the mess you made was nominated
Oh I... Do... you

Now put away your welcome,
soon you'll find you've overstayed it
Hey now, every time i lose

- R: So divine, hell of an elevator
All the while my fortune faded
Nevermind the consequences of the crime this time
My fortune faded

3. The medicated state of mind
you find is overrated
Oh I... Do... you

You saw it all come down and
now it's time to imitate it
Hey now, every time i lose

- R: So divine, hell of an elevator...

Bm D(x57775) C#m/5+

Come on God, do I seem bulletproof?
