

# Funky Monks

Red Hot Chili Peppers

R: There are no monks in my band  
There are no saints in me land  
I'll be doin' all I can  
If I die an honest man

1. Confusion is my middle name  
Ask me again I'll tell you the same  
Persuaded by one sexy dame  
No, I do not feel no shame

R: You are on the road  
Can I get a little lovin' from you  
Can I get a little bit of that done did do?  
You are on the road  
Tell me now girl that you need me, too?  
Tell me now girl 'cause I've got a feeling for you

2. Every man has certain needs  
Talkin' 'bout them dirty deeds  
To these needs I must concede  
Livin' by my lowly creed

3. A woman please know that I'm good  
Know that I did all I could  
But yes, it's true the likely hood  
Of being great is not so good

R: There are no monks in my band...

4. Virtue slipped into my shoe  
No, I will not misconstrue  
More rockin', more rockin', now doobley do  
Dancin' down your avenue

R: You are on the road...
