

# I Could Die For You

Red Hot Chili Peppers

1. Something inside the cards  
I know is right  
Don't want to live  
Somebody elses life  
This is what I want to be  
And this is what I give to you

Because I get it free  
She smiles while I do my time

R: I could die for you  
Oh this life I choose

2. I'm here to be your only go-between  
To tell you of the sights  
These eyes have seen  
What I really want to do is  
Turn it into motion  
Beauty that I can't abuse  
You know that I'd use my senses too

You can see that  
It's only everywhere  
I'd take it all and then  
I'd find a way to share

\*: Come along and go  
Along with me  
Wander with me yo  
It's all for free

I could die for you  
Whatchu wanna do  
Oh this life I choose

\*: Come again and tell me  
Where you want to go  
What it means for me  
To be with you alone  
Close the door and  
No one has to know  
How we are

Come along and go  
Along with me  
Wander with me yo  
It's all for free

I could die for you  
Whatchu want to do  
Oh this life I choose
