I Could Have Lied

Red Hot Chili Peppers

- 1. There must be something in the way
 I feel that she don't want me to feel
 The stare she bares cut me,
 I don't care you see so what if I bleed
 I could never change just what I feel
 My face will never show what is not real
- 2. A mountain never seems to have the need to speak a look that shares so many seek The sweetest feeling I got from you the things I said to you were true I could never change just what I feel My face will never show what is not real
- R: I could have lied I'm such a fool
 My eyes could never never never keep their cool
 I showed her and I told her how
 She struck me but I'm fucked up now
- *: But now she's gone yes she's gone away a soulful song that would not stay You see she hides 'cause she is scared but I don't care I won't be spared
- R: I could have lied...
- R: I could have lied...
 ... I showed her and I told her how
 She struck me but I'm fucked up now.
