

My Lovely Man

Red Hot Chili Peppers

1. I used to shout across the room to you
And you'd come dancing like a fool
Ow! Shuffle step you funky mother
Hey! Come to me all warm as covers

Rest with me my lovely brother
Hey! For you see there is no other
Memory so sad and sweet
I'll see you soon save me a seat

R: Oh well, I'm cryin'
Now my lovely man
Oh yes, I'm cryin'
Now and no one can
Will never fill the
The hole you left my man
I'll see you later
My lovely man, if I can

2. In my room I'm all alone
Hey! Waiting for you to get home
I'll listen to Roberta Flack
But I know you won't come back

Oh well, I'm cryin'
Now my lovely man
I'll see you later
My lovely man, if I can

Just in case you never knew
I miss you Slim, I love you too
Oh! See my heart, it's black and blue
When I die I will find you

R: Oh well, I'm cryin'...

Well, I'm cryin', my lovely man, yeah...
Well, I'm cryin', yeah they'll never know, yeah...
Ah... I'll miss you when I die my lovely man
I'll see you later, my lovely man
We had some good times, my lovely man
Yeah...
