

# No Chump Love Sucker

Red Hot Chili Peppers

1. She's a witch, a brat, a bonafide bore  
What's more - she snores and that is a fact  
Cow eyes lie, yes it's time to resist  
How did I ever get into this  
How could I ever have kissed that bitch  
So what if she's got big tits

R: She's the kinda girl  
Who changas her mind really quick  
She's the kinda girl who  
Won't just let things sit

2. She came like a cat, like a cat to cat nop  
She came in my lap with her womanly hips  
When I first met her, I came unglued  
I played the part of a blueblooded fool  
I'm through with your sewage, I'm through with your trash  
I always knew that I'd get the last laugh

R: She's the kinda girl...

3. Like two trains on one track bound for a crash  
Two red white and blues, we were destined to clash  
I can't fix the future, I can't change the past  
Like fly by night news we were not meant to last  
I'm through with your bluefish, I'm through with your gash  
I'm through being screwed with by you and your wack attack

\*: Jump back for chump love  
You won't be back for cover  
But no no no no  
I'm no chump love sucker  
No chump love sucker, no chump love sucker  
No chump love sucker, no chump love sucker

No chump love sucker

4. I though that your love was a matter of fact  
But I lost my pride when I realized that  
The smack in my bag and my baseball bat  
Was all you were after. Boys "you dirty rat"  
She's a bitch and a brat and a living disaster  
She thought she was fast but I was faster

No chump love sucker, no chump love sucker (x4)
