

# On Mercury

Red Hot Chili Peppers

1. I've got myself  
In a masochistic hold  
Why don't you let go  
Shake it off  
Just to redirect my flow  
Come on let's go

R: Sit up straight  
I'm on a double date  
I've got to find my way  
Into the light, heavy, middle weight  
We don't stop rock around the clock  
Motor mouthing off  
In front of every other road block

Come again and tell me  
What you're going thru  
Like a girl who only knew  
Her child was due

2. Memories of everything  
Of lemon trees on mercury  
Come to me with remedies  
From five or six of seven seas  
You always took me with a smile  
When I was down  
Memories of everything  
That blew thru

3. Looking up into  
A reverse vertigo  
What an undertow  
Give it up  
Another stubborn scorpio  
Come on, let's go

R: Sit up straight...  
Come again and tell me...

4. To the moon she gave  
Another good review  
Turn around and look at me  
It's really really you
