

# One Hot Minute

Red Hot Chili Peppers

1. Well, I was riding  
Riding on my bike  
Me with my friend  
We're so alike  
Am I all alone?

2. She said all we  
Have is this  
We just had to stop  
And share a kiss  
Am I all alone?

R: One hot minute and I'm in it come and get it  
One hot minute and I'm in it come and get it  
One hot minute and I'm in it come and get it  
If I chase it I might waste it come and spin it

Am I all alone?  
Am I all alone?

Sitting in the fire  
Get along and have some fun  
Floating to be higher  
Maybe I'm your special one  
Silent testifier  
Breathe the moon and eat the sun  
Sitting in the fire

3. Close your eyes  
And click your heels  
Can you believe  
How good it feels?  
Am I all alone?

R: One hot minute...

\*: Say goodbye to where you buy you got it now  
Pay your father, pay your twenty, take a bow  
Say goodbye to where you buy you got it now  
Pay your momma, pay your father, take a bow  
Say goodbye to where you buy you got it now  
Pay your father, pay your twenty, take a bow

Three pounds of love inside my skull  
A million more lives it's never dull  
Just a few times spun, spun around the sun  
A couple more or less and then we're done

R: Sitting in the fire...
