

# Otherside

Red Hot Chili Peppers

R: How long how long will I slide  
Seperate my side I don't  
I don't believe it's bad  
Slit my throat it's all I ever

1. I heard your voice through a photogragh  
It thought it up it brought up the past  
Once you know you can never go back  
I've got to take it on the otherside

Centuries are what it meant to me  
A cemetery where I marry the sea  
Stranger things could never change my mind  
I've got to take it on the otherside

Take it on the otherside  
Take it on take it on

R: How long how long...

2. Poor my life into a paper cup  
The ashtray's full and I'm spilling my guts  
She wants to know am I still a slut  
I've got to take it on the otherside

Scarlet starlet and she is in my bed  
A candidate for my soul mate bled  
Push the trigger and pull the thread  
I've got to take it on the otherside

Take it on the otherside  
Take it on take it on

R: How long how long...

\*: Turn me on take me for a hard ride  
Burn me out leave me on the otherside  
I fell and tell it that it's not my friend  
I tear it down I tear it down  
And it's born again

R: How long how long...

How long I don't I don't believe it's bad  
Slit my throat it's all I ever
