## Red Hot Chili Peppers

I'm a little pea  
I love the sky and the trees  
I'm a teeny tiny little ant  
Checking out this and that  
And I am nothing  
So you have nothing to hide  
And I'm a pacifist  
So I can fuck your shit up

Oh yeah I'm small  
Oh yeah I'm small

Fuck you asshole  
You homophobic redneck dick  
You're big and tough and macho  
You can kick my ass  
So fucking what? (4x)
