

# Right On Time

Red Hot Chili Peppers

1. One shot all I need  
I've got rhythm when I bleed  
  
'Til death do us part  
Break my heart so I can start  
  
Supercalifragilistic  
Kiss me in the futuristic  
Twisted but I must insist  
It's time to get on top of this

R: It's right on time (7x)  
Lookin' fine you're lookin' fine get on 1999  
It's right on time

2. Discard to bombard  
Calling all you shouting stars  
  
Holy cow bow wow wow  
Now I'm here I'm nowhere now  
  
Joan of Arc reincarnated  
Maybe we could be related  
So much blood to circulate  
And so much space to decorate

R: It's right on time...

3. Plain and simple pain  
I want to but I can't complain  
  
Death row let us go  
It's time to blow up for the show  
  
All the world reverberated  
Coming through we motorcaded  
Vibrate when we operated  
Turning up in solid stated  
  
Oh Lord
