

Dusting off your savior  
You were always my favorite  
Always my man – All in a hand

To celebrate you is greater  
Now that I can – Always my man

Now you see what I came for  
No one here is to blame for  
Misunderstand – All in a hand

Just like you 'cause you made me  
All that I am – All in a hand

A butterfly that flaps its wings  
Affecting almost everything  
The more I hear the orchestra  
The more I have something to bring  
And now I see you in a beautiful  
And different light  
He's just a man and any damage done  
Will be all right  
Call out my name  
Call and I came

Dusting off your savior  
Forgiving any behavior  
He's just a man – All in a hand

Your hero's destined to waver  
Anyone can – Always my man

I would never betray you  
Look at me who could raise you  
Face in the sand – Safe in your hand

You were always my favorite  
Always my man – All in a hand

We are the red hots and  
We're loving up the love me nots  
The flowers in your flower pots  
Are dancing on the table tops  
And now I see you in a beautiful  
And different light  
He's just a man and everything he does  
Will be all right  
Call out my name  
Call and I came

Dusting off your savior  
The life that you have narrated  
You were my man
