1. Scar tissue that I wish you saw
Sarcastic mister know it all
Close your eyes and I'll kiss you 'cause
With the birds I'll share
- R. With the birds I'll share
This lonely view
With the birds I'll share
This lonely view
2. Push me up against the wall
Young Kentucky girl in a push-up bra
Fallin' all over myself
To lick your heart and taste your health 'cause
R: With the birds I'll share...
3. Blood loss in a bathroom stall
Southern girl with a scarlet drawl
Wave goodbye to ma and pa 'cause
With the birds I'll share
R: With the birds I'll share...
4. Soft spoken with a broken jaw
Step outside but not to brawl
Autumn's sweet we call it fall
I'll make it to the moon if I have to crawl and
R: With the birds I'll share...
5. Scar tissue that I wish you saw
Sarcastic mister know it all
Close your eyes and I'll kiss you 'cause
With the birds I'll share
R: With the birds I'll share...
