

Shallow Be Thy Game

Red Hot Chili Peppers

1. I was not created in the likeness of a fraud
Your hell is something scary
I prefer a loving God
We are not the center of this funny universe
And what is worse,
I do not serve in fear of such a curse
2. Shallow be thy game two thousand years,
look in the mirror
You play the game of shame
and tell your people "Live in fear"
A rival to the way you see the bible let him be
I'm a threat to your survival
and your control company

R: You'll never burn me
You'll never burn me
I will be your heretic, yeah
You can't contain me
I am the power free
Truth belongs to everybody

3. To anyone who's listening,
you're not born into sin
The guilt they try and give you,
puke it in the nearest bin
Missionary madness sweep up culture with a broom
Trashing ancient ways is par for the course,
it's fucking rude

4. To think that you're above
the laws of nature, what a joke
Oh, purple sashes feeding masses
smoke on which to choke
Well, I might be a monkey
when it comes to being holy
Fundamental hatred,
get down on your knees and...

R: You'll never burn me...
