

Storm in a teacup

Red Hot Chili Peppers

Next stop on the KLM
Two lips and a sturdy stem
A funny thing always happens when
I get a heavy jam
I'm gonna turn it iinto hydrogen
I I, I I, I I, I I I I, I

Cowgirl and a troubadour
MGM and the lion's roar
A straight shot to the corner store
I wanna show you what
I wanna show you what your head is for
I I, I I, I I, I I I I, I

So much I, wish i could
So many I, wish i would
So much I, wish i could
Count on you not to defeat me

So much I, wish i could
So many I, wish i would
So much I, wish i could
Count on you not to defeat me

Please don't turn away again
please don't turn me into them
Please don;t turn away again
Please don't turn me into them

Stand by for the great eclipse
Rip it out now shake your hips
Backing off the apocalypse
I gotta loosen up
I gotta loosen up to get my grip
I I, I I, I I, I I I I, I
