

## Strange man

Red Hot Chili Peppers

1. All of my love and most of my fears  
been comin' on strong for most of my years  
add up and end up in a song.

Cellophane teads and revenue streams  
been blocking my sharks and killin' my dreams  
that showed how me to be the cause.

Ooh ah yella, ooh ah hey ah what now!

R: It's a lifetime of a strange man, that's right  
it's a long time for me, I see  
she wants to belong here, I want to be free  
ex-communicated cause there ain't no guarantee.

Ooh ah yella, ooh ah yeah.

2. All of my friends and enemies  
they were part of this dance that  
put me right here we go  
so glad I got this chance.

Better no plans and lessen those schemes  
were all about love and less about me  
I have to say she wore the pants.

That's oh!

R: It's a lifetime...

Woo yeah, I go, ah!  
I've been left ah!

R: It's a lifetime...

R: It's a lifetime of a strange man, that's me  
It's along time for me, uh huh.  
She wants to be rich and I want to be free,  
keep your banned elastic cause their ain't no guarantee.
