

Tear

Red Hot Chili Peppers

1. This is my time
This is my tear
I can see clearly now
That this is not a place
For playing solitaire
Tell me where you want me
This is my time
This is my tear

2. Comin' on strong
Baudelaire
Seems to me like
All the world gets high
When you take a dare
Let it rise before you
This is my crime

R: All in all an' I'm
Loving every rise and fall
The sun will make and I will take
Breath to be sure of this
In the endin' end
All will be forgiven when
Surrender rises high and I
Give what I came to give
Say it now because you never know
(oh, never know)

3. Devil may cry devil may care
Distiller's got a scream
And now I know just why
When she's movin' air
Can you feel the voltage
This is my time
(hraje se jako 2. sloka)

*: California skies
Got room to spare
This is my time

R: All in all an' I'm...

4. Take it outside
Take it out there
Seems to me like
All the world gets high
When you take a dare
In the final moment
This is my time

R: All in all an' I'm...
