

# Tell Me Baby

Red Hot Chili Peppers

1. They come from every state to find  
Some dreams were meant to be declined  
Tell the man what did you have in mind  
What have you come to do

No turning water into wine  
No learning while you're in the line  
I'll take you to the broken sign  
You see these lights are blue

Come and get it  
Lost it at the city limit  
Say goodbye  
Cause they will find a way to trim it  
Lookin' for a silly gimmick  
Gotta get away  
Can't take it for another minute

This town is made of many things  
Just look at what the current brings  
So high it's only promising  
This place was made on you

- R: Tell me baby what's your story  
Where you come from  
And where you wanna go this time  
Tell me lover are you lonely  
The thing we needs is  
Never all that hard to find

Tell me baby what's your story  
Where you come from  
And where you wanna go this time  
You're so lovely are you lonely  
Giving up on the innocence you left behind

2. Some claim to have the fortitude  
To shrewd to blow the interlude  
Sustaining pain to set a mood  
Step out to be renewed

I'll move you like a baritone  
Jungle brothers on the microphone  
Getting over with an undertone  
It's time to turn to stone

Chitty chitty baby  
When your nose is in the nitty gritty  
Life could be a little sweet  
But life could be a little shitty  
What a pity  
Boston and a kansas city  
Looking for a hundred  
But you only ever found a fitty

Three fingers in the honeycomb  
You ring just like a xylophone

Devoted to the chromosome  
The day that you left home
