

# The Righteous & The Wicked

Red Hot Chili Peppers

1. I can't rest in war  
Will you be my friend ?  
Dark ages never change  
Well, I can't comprehend

Kiss me, we self destruct  
Can you hear me lord ?  
Yes, I think we're fucked  
But I can't rest in war

R: The righteous and the wicked  
War and peace  
The killing fist  
Of the human beast  
P.O.P.  
Prodigies of peace  
Hear me when I'm calling you  
From my knees  
I am praying for a better day

\*: Oh yeah, playin' for a better day, anyway  
Oh yeah, playin' for a better day, okay

2. Holy mother earth  
Crying into space  
Tears on her pretty face  
A for she has been raped

Killing your future blood  
Fill her with disease  
Global abortion please  
That is what she needs

R: The righteous and the wicked...

3. Are we fire flies  
Flashing in the night ?  
Big thunder, rumble fish  
Did you get it right ?

Headstrong battle song  
Exploding souls be gone  
Marvin Gaye my love  
Where did we go wrong ?

R: The righteous and the wicked...
