

# This Velvet Glove

Red Hot Chili Peppers

1. Close to my skin  
I'm falling in  
Someone who's been

Sittin' by the phone  
I'm left alone  
In another zone

John says to live above hell  
My will is well  
No one is waiting  
For me to fail  
My will could sail yeah

It's such a waste to be wasted  
In the first place  
I want to taste the taste of  
Being face to face with common grace  
To meditate on the warmest dream  
And when I walk alone I listen  
To our secret theme

- R: Your solar eyes are like  
Nothing I have ever seen  
Somebody close  
That can see right through  
I'd take a fall and you know  
That I'd do anything  
I will for you

2. Sailin' for the sun  
'Cause There is one  
Knows where I'm from

I care for you  
I really do I really do

Come closer now  
So you can lie  
Right by my side

Sit alone in the sun  
I wrote a letter to you  
Getting over myself

- R: (2x)

3. Close to my skin  
Someone who's been  
I'm a falling in

Disasters are  
Just another star  
Falling in my yard

John says to live above hell  
My will is well  
Long to be with

Someone to tell  
I love your smell
