

Universally Speaking

Red Hot Chili Peppers

1. I saw your face
Elegant and tired
Cut up from the chase
Still I so admired
Bloodshot your smile
Delicate and wild
Give me she wolf style
Rip right thru me

R: Silveretta the jets of a lifetime
Go and get her i've got her on my mind
Nothing better then feeling is so fine
Simply put I saw your love stream flow

Come on baby 'cause cause there's no name for
Give it up and I got what I came for
Universally speaking

*: Take it back and you make me nervous
Nothing better then love and service
Universally speaking ah
Win in the long run

2. I saw your crime
Dying to get high
Two of a kind
Beat all hands tonight

R: Silveretta...
Come on baby...
