

# Universally Speaking

Red Hot Chili Peppers

1. I saw your face  
Elegant and tired  
Cut up from the chase  
Still I so admired  
Bloodshot your smile  
Delicate and wild  
Give me she wolf style  
Rip right thru me

R: Silveretta the jets of a lifetime  
Go and get her i've got her on my mind  
Nothing better then feeling is so fine  
Simply put I saw your love stream flow

Come on baby 'cause cause there's no name for  
Give it up and I got what I came for  
Universally speaking

\*: Take it back and you make me nervous  
Nothing better then love and service  
Universally speaking ah  
Win in the long run

2. I saw your crime  
Dying to get high  
Two of a kind  
Beat all hands tonight

R: Silveretta...  
Come on baby...
