

Warped

Red Hot Chili Peppers

My tendency for dependency
Is offending me. It's upending me
I'm pretending see to be strong and free
From my dependency. It's warping me

So much love so rare to dare
Afraid of ever being there
Take me home I need repair
Take me please to anywhere

Descend all the way, all the way

Descended from demented men
Struggle with the art of Zen
Please don't look too close at me
You might not like what you see

R: She said "All the way, all the way"
Everyday
Warped and scared of being there
Of being there

Craving sends me crawling, oh
Beg for mercy does it show ?
A vacancy that's full of holes
Hold me please, I'm feeling cold

R: She said...
