

Wet Sand

Red Hot Chili Peppers

1. My shadow side, so amplified
keeps coming back dissatisfied
Elementary son, but it's so
My love affair with everywhere
Was innocent why do you care
Someone stop the car,
Time to go
Your the best I know

2. My sunny side is up and died
I'm betting there when we collide
The universe will shift into a low
the travesties that we have seen
treating me like Benzedrine
automatic laughter from a pro

My what a good day for a, walk outside
I'd like to get to know you a little better
babe God knows that I really tried
My what a good day for a take out bride
I'd like to say we did it for the better of

3. I saw you there so unaware
Those humming birds all in your hair
Elementry so, but it's so
The disrepair of Norma Jean
could not compare to you're routine
Ballorama beauty going toe to toe

R: My what a good day...

*: I thought about it and I brought it out
I'm motivated by the lack of doubt
I'm concentrated but i'm looking out
Mother, the father, the daughter

4. Right on the verge is one more dose
i'm travelling from coast to coast
my theory isn't perfect but it's close
i'm almost there, why should i care
my heart is hurting when i care
Someone opened up, let it show

R: My, what a good day...

*: I thought about it...

Yeah you don't form in the wet sand
You don't form at all
Woah you don't form in the wet sand, I do, yeah
You don't form in the wet sand
You don't form at all
Woah you don't form in the wet sand, I do, yeah!
I might tab the solo someday
