Shock Me

Red House Painters

Your lightning's all I need My satisfaction grows, you make me feel at ease You even make me glow, don't cut the power on me I'm feelin' low, so get me high

Shock me, make me feel better Shock me, put on your black leather Shock me, we can come together

And baby, if you do what you've been told My insulation's gone, girl, you make me overload Don't pull the plug on me, no, no Keep it in and keep me high

Shock me, make me feel better Shock me, put on your black leather Shock me, we can come together
