## **Summer Dress**

## **Red House Painters**

Summer dress makes you more beautiful than the rest Loveliest girl that I know and the sweetest Spends her life inside, she thinks she isn't blessed Summer dress separates you from the rest Easiest days of her life have been spent Wonders if she is loved, if she is missed Says a prayer as she's kissed by ocean mist Takes herself to the sand and dreams Says a prayer as she's kissed by ocean mist Takes herself to the sand and dreams
