

## I Just Cry A Little

Red Simpson

What's a home keep on got that rules you from me  
Is a some kind of magic that I just can't see  
At first you used to hurt me when you'd leave me behind  
But at last I've finally found the way to help me pass  
the time  
And I just cry a little then I die a little and I walk  
back and fort to cross the floor  
Yes I just cry a little then I die a little and each time  
it hurts a little bit more  
[ steel ]  
I pretend that it's all right each time that you leave  
And I don't show the hurt that hurts inside of me  
For I know there's no use to ask you to stay in  
You'll soon be gone and my usual night will began
