Rollin' I go rollin' along I'm listenin' to that diesel hum a song Well I'm just as happy as I can be cause my pretty baby she's a waitin' for me So come on truck yeah take me on home I'm longin' just to hold her again and I miss her and want to kiss her again We've been on the road for a long long time But we'll get some rest at the end of the line So come on truck take me on home [quitar + steel] Stoppin' just stop outside of town at the truckstop where all the truckers hang around Oh we got some cleanin' up to do I need the shavin' you need a washjob too So come on truck yeah take me on home (Come on truck let's go now gettin' close to home There's the lights of the city and that's pretty)
