

I Love You Because

Red Sovine

I love you because you understand dear every single thing I try
to do
You're always there to lend a halping hand dear
I love you most of all because you're you
No matter what the world may say about me
I know your love will always see me through
I love you for the way you never doubt me but most of all I lov
e you cause you're you
[guitar - steel]
I love you because my heart is lighter every time I'm walking b
y your side
I love you because the future's brighter the door to happiness
you've opened wide
No matter what may be the style or seasons I know your heart wi
ll always be true
I love you for a hundred thousand reasons
But most of all I love you because you're you
