

Sittin' And Thinkin'

Red Sovine

(Please baby wait for me wait for me wait for me)

I got loaded last night on a bottle of gin
And I had a fight with my best girl friend
But when I'm drinking I am nobody's friend
But please baby wait for me until they let me out again

I know the same thing has happened before
And everytime it does I hate it more and more
But when I'm drinking I am nobody's friend
But please baby wait for me until they let me out again

(Spent a whole lotta time)

Spent a whole lotta time (spent a whole lotta time) sittin' and
thinkin'

(Spent a whole lotta time) sittin' and just thinkin' bout you
If I didn't spend so much time sittin' and drinkin'
We'd still have the love that we once knew

Oh oh I won't promise the same thing won't happen again
But I can promise it'll be a long long time till then
Cause when I'm drinking I am nobody's friend
But please baby wait for me until they let me out again
Please baby wait for me until they let me out again
