

Well this place in France where the naked ladies dance
Holes in the walls where boys can see them all
And all the love in the world will be there, and...
I'm gone, I'm gone, I'm gone, I'm gonna make it
I'm gone, I'm gone, I'm gone, I'm gonna make it home
Make it home
And all my dreams will come true

Hey lada de da da da da da
It's in my head
Hey lada de da da da da da

And so they're sun and they're sational
With all the girls
And all the playboy bunnies
And all the supermodels
They're gonna be there
Man, you gotta go

This place in France where the naked ladies dance
Holes in the walls where boys can see them all
And all the love in the world will be there, and...
I'm gone, I'm gone, I'm gone, I'm gonna make it
I'm gone, I'm gone, I'm gone, I'm gonna make it home
Make it home
And all my dreams will come true

Hey lada de da da da da da
It's in my head
Hey lada de da da da da da
It's in my head
Hey lada de da da da da da
It's in my head
Hey lada de da da da da da

And I'll be a real playboy
Gonna catch you and make you mine
And all the children will gather around me as I softly reply
I'm now a lover, I'm no more fighter
I'm now a lover, I'm no more fighter
I'm now a lover, I'm no more fighter
I'm now a lover, I'm no more fighter at all

When they ask me why
Well I'll sweetly reply
Cause I'm hunting for happily ever afte
